Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance:

Claims 1-13 are allowed over prior art of record because the cited references either alone or combined do not disclose the claimed invention:

A system for detecting, monitoring, and identifying objects within an area comprising:

at least one surveillance means and one position locating means for independently detecting and monitoring at least one object located within a predetermined area,

means for recording data on a first object detected and monitored by the surveillance means located within the area,

means for recording data on a second object detected and monitored by the position locating means located within the area,

means for comparing the surveillance recorded data of the first object with the position locating recorded data of the second object to determine if the surveillance means and the position locating means are referencing a same target,

means for determining if the target is authorized to be in the area, and

means for notifying an operator if the target is not authorized to be in the area.

The video system and the RFID system of Griebenow do not operate independently and lack of comparing means. The systems of Ogasawa may operate independently however lack of comparing means.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anne V. Lai whose telephone number is 571-272-2974. The examiner can normally be reached on 8:00 am to 5:30 pm, Monday to Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Hofsass Jeffery can be reached on 571-272-2981. The fax phone number for the organization where this application or proceeding is assigned is 571-272-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
